About the Programme

The Islamic Financial Planner (IFP) is a professional qualification programme designed for professionals and executives that serves the retail segment of the Islamic financial market. IFP is pre-requisite for Capital Market Services Representative’s License (CMSRL) by Securities Commission (SC) and Islamic Financial Advisers’ Representative License (FAR) by Bank Negara Malaysia (BNM) to carry out the regulated activity of financial planning. This programme is a joint collaboration between IBFIM and Financial Planning Association of Malaysia (FPAM).

Being certified as an Islamic Financial Planner will equip learners with all the necessary knowledge to serve clients better and to become a financial advisory professional. The IFP programme sets the competency standards and ethical practices of the professionals. In short, the consultants and agents can look forward to a fulfilling and prosperous career of being an Islamic financial planner.

Challenge Status

IFP Challenge Status programme is a fast-track programme for those who are already involved in the related industry and have similar professional qualifications.
