About the Programme

IQIF Takaful provides the learners with a comprehension of the Takaful system. Learners will appreciate the key principles of Takaful and how these are put into practice through the various Takaful models upheld by different jurisdictions. IQIF Takaful aspires to produce professionals who are able to bring changes for the growth of the Takaful industry.

Learning Outcomes

- Discuss the end-to-end and practical knowledge of Takaful products and services as well as its operational framework; and
- Explain and promote Takaful products and solutions better to the consumers and clients.

Entry Requirement

- AQIF

Assessment

- 100 Multiple Choice Questions
- 60% Passing Marks
- Remote Examination (Online)
- 2 Hours 30 Minutes
