## About the Programme

iPCC is designed for banking professionals who seek to equip themselves with the skills, knowledge and tools to advance in the demanding and rapidly changing field of credit management in Islamic Banking. By dedicating time and effort to complete iPCC, learners will demonstrate their commitment towards attaining the highest standards of becoming a credit professional in Islamic Banking.

## Learning Outcomes

At the end of the module, learners should be able to:

- Recognise various forms of Muamalat contracts commonly practised in mainstream Islamic products and services;
- Describe the process and procedures in credit management and monitoring financing portfolios within the Islamic retail and business financing environment in Islamic financial institutions;
- Explain the principles and basic financing origination and credit management processes within a financial institution;
- Identify the basic management components in Islamic financial institutions that cover the structural elements, characteristics of banking products, current practices, protocols, and limitations; and
- Outline the main structure and guidelines in preparing good credit reports.

## Entry Requirement

- Diploma, or
- Sijil Pelajaran Malaysia (SPM) / O-Level or equivalent with 3 years' experience in Credit Management or Banking

## Assessment

- **Level 1** – 100 Multiple Choice Questions | 2 Hours 30 Minutes, 60% Passing Mark
- **Level 2** – 60 Multiple Choice Questions, 2 Case Studies | 3 Hours 30 Minutes, 60% Passing Mark
