## About The Programme

AOTG, the latest learning-on-demand by IBFIM, is a self-study programme designed for all, whether you are an Islamic finance industry practitioner or in other sectors engaging in Islamic finance. Be it an Islamic finance practitioner or even a fresh SPM leaver, AOTG knows no boundary. It aims to nurture the basic foundation of Shariah principles, their application, and ethics, and to provide an outlook on the regulatory framework governing the Malaysian financial landscape.

## Learning Outcomes

- Acquire basic knowledge of Shariah, the requirements of Muamalat contracts and the differences between conventional and Islamic finance;
- Apply various Shariah contracts commonly applied in mainstream Islamic banking products and services;
- Understand the fundamental knowledge of ethics from Islamic perspective and its relation to Islamic finance;
- Understand the principles of Islamic law that govern the Islamic financial system; and
- Identify the basic components in contemporary Islamic finance architecture.
